

Product Detail

This Lamp Post Protector is ideal for busy car parks. This post protector will shield lamp posts and other fragile car park furniture from vehicle damage.

Manufactured from galvanised mild steel, the protector sits at a car's bumper height and is designed to withstand the knocks and bumps that will inevitably occur.

Available ragged only, the galvanised barriers can be coated in any RAL colour as required.

Width: 300 mm.

Total height: 870 mm.

Structure: Steel tube Ø 50 mm.

Finish: Galvanised or galvanised and painted in our standard RAL colours.

Installation: Root Fixed / Base Plate
