

## Product Detail

Our Station seating seen throughout the UK at many railway stations, in local parks, on the 'high street' and school playgrounds, suitable for internal or external use.

The station seat has been specified for, Victorian city centres, museums and galleries through to architecturally designed open space and even used as part of modern art exhibits.

This clean contemporary style of seat rivals modern alternatives and offers a low cost seat which is extremely popular within many sectors. Options include:

- Wall mounted
- Double back to back units
- Circular arrangements
- Stools
- Picnic units

Bespoke - special variations can be made to fit virtually all sites and are manufactured to order.

The 'mini station' bench seat is the baby of the station bench seat and has been especially designed for children. This unique range of seating will enhance any urban or rural environment and can be installed in school grounds, sports clubs and leisure amenities to give children a stylish and comfortable place to sit.

The station series is available in any one of our eleven standard PPA colours, powder coated in an RAL No., galvanised or 316L stainless steel finish.

An iroko timber seat and complimentary litter bin is also available.
